

# Resource **First**CLASS

**When:** October 27-29, 2024  
**Where:** Tampa Bay, Ybor City Area  
**Location:** Hotel Haya

Resource FirstClass is a 2-day intensive training event designed to help accelerate the scope and quality of your ResourceFirst version 9 deployment. The agenda will include a combination of topical training and use-case presentations from other ResourceFirst users.

## Topics will include:

- ☐ Moving to version 9
- ☐ Resource forecasting and capacity management
- ☐ Portfolio and labor costing
- ☐ Advanced project intake
- ☐ Data export, pivots and reporting
- ☐ Scenarios, targets and waterline planning
- ☐ Working with project data and other scheduling tools
- ☐ Working with teams, agile projects and Jira
- ☐ Baselines, actuals and performance reporting
- ☐ Workflow tools and the new version 9 home screen
- ☐ Project workspace tools and road mapping
- ☐ Advanced ResourceFirst Administration
- ☐ FAQ on ResourceFirst integration with other applications

## Networking Sessions:

### Sunday Night (early arrivers):

Drinks/dinner/ flamenco show at the Columbia restaurant, a 100-year-old establishment and one of the most famous restaurants in Tampa.

### Monday Night:

Group dinner at Splitsville, a popular bar/restaurant on the water, which has a fun assortment of games and group activities including bowling and a bocce. The restaurant is walking distance from the hotel and located on a fun street, with other entertainment for the late-night crowd.

## Admission:

\$995.00 USD for Single Ticket  
\$2385.00 USD for Three-Pack
